

## Syllabus - STD 9

- **Real Numbers**
- **Compound Interest**
- **Polynomials**
- **Algebra - Expansion**
- **Algebra - Factorisation**
- **Simultaneous Linear Equations in two variables**
- **Exponents**
- **Lines and Angles**
- **Triangles**
- **Quadrilaterals**
- **Circles**
- **Trigonometry**
- **Coordinate Geometry**
- **Quadratic Equations**
- **Euclid's Geometry**
- **Mensuration - Areas of Triangles and Parallelograms**
- **Surface Area and Volume**
- **Statistics and Probability**
